

DISCIPLESHIP

ONE - ONE - ONE

Help each other grow through accountability and shared ministry experiences.

CATCH UP

What are your highs and lows from this week?

Have you felt near or far from God this week? Why?

O - Obey: *In what areas are you striving to submit to and obey God?*

A - Abide: *What are you learning in your daily time in God's Word?*

T - Teach: *How are you investing in fellow believers and serving the church?*

S - Share : *How are you sharing your faith with not-yet-believers?*

READ & DISCUSS

Read and discuss a Bible passage using GPS questions, OR discuss a specific topic or practical skill (see other side for examples).

God - *What does the passage say about God or Jesus?*

People - *What does the passage say about people?*

Summarize - *How would you summarize the passage?*

FINISH UP

Set goals related to accountability questions above or the material you discussed.

Make a plan to do ministry together this week (see other side).

Pray for each other.
